ALTERNATIVE
FEET OPTIONS

HIGH DENSITY FOAM

With its special weave velvet fabric and pleat details, Garneth is catching the eyes with its elegant lines. The cushion alternatives in different patterns are the most favourite part of the collection for the ones who don't like mediocrity. You will love the coziness and elegance of the sofa and 2 seater when they become a bed by removing the back cushions. It presents an extra comfort by the bird feather foam replaced on high density foam on the seating section. Its also the ideal choice for the ones who are looking for an easy cleaning option by its modern style metal feet and easy-clean fabric choices

VILLA

You Will Rediscover Comfort

With its character that carries the modest and refined lines of modern style, Villa is attracting the attentions with the high comfort and elegant design. It has a unique stance with the workmanship on the arms and back side. Thanks to American Mechanism speciality, it becomes a bed very easily by rotating the movable back section 180 degrees. By this mechanism, the back side of the sofa bed can be used as a coffee table. The eye catching Soft and Pastel color fabrics are completing the wooden look feet of the collection.
